# Jose Angelo Fernandez

⊙ San Miguel, Bulacan, Philippines  ✉ joseangelof123@gmail.com  ▯ 09168621591  in/jose-angelo-fernandez

## SUMMARY

Passionate computer science student with a basic but growing coding foundation, eager to expand my skills through professional training. Adaptable with a strong work ethic, ready to embrace new challenges and contribute to the dynamic growth of a forward-thinking organization.

## EXPERIENCE

### Microsoft Education Technical Associate

**Rakso CT**                                                                    **June 2024 - August 2024, Makati**

• Provided IT support in deploying and managing Microsoft 365 accounts for schools, performed data validation and account cleanup, assisted with Canva SSO integration, and supported tasks involving Azure, Dynamics 365, and general user management.

## PROJECTS

### Paulumni

September 2024 - April 2025

• Designed and developed an alumni tracking system.
• Utilized PHP, MySQL, JavaScript, and Tailwind CSS for front-end and back-end development.
• Implemented features like alumni verification and profile management.
• Applied Agile methodologies and evaluated system quality using ISO 25010 standards.

### E-readers

March 2025 - April 2025

• Developed a library management system using PHP, MySQL, Tailwind CSS, and JavaScript.
• Supports book tracking, borrowing logs, and user account features.
• Built for academic use with attention to scalability and ease of use.

### SpecCheck

October 2023 - November 2023

• Created an Android app that checks a user's device specifications to determine compatibility with various games.
• Users can create multiple device profiles, view hardware summaries, and get performance recommendations.
• Built with a focus on usability and lightweight performance.

### Ctrl+Play

April 2023 - May 2023

• Designed a prototype wireframe for a digital game platform using Figma.
• Focused on intuitive user flow and responsive layout for an engaging user experience.
• Features include game browsing, library management, and user profiles.

## EDUCATION

### Bachelor of Science - BS, Computer Science

St. Paul University at San Miguel • Salangan, San Miguel, Bulacan • May 2025
